Dear Mr. Jeanloz:

On July 15, 2003, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Yield House Industries, Inc. ("Yield House"). The purpose of the inspection was to determine Yield House's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Yield House was issued Letter of Deficiency No. WMD 03-32 (the "LoD"). Based upon a review of Yield House's submittals, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Yield House's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
